Terms and Conditions for Study Abroad Contract

1. The participant agrees to respect the following rules and regulations concerning the summer camp and is aware that the school reserves the right to take disciplinary action in the case of these rules and regulations not being respected:
 - a) The school accepts responsibility for taking care of the participants during the summer school. The summer school begins with the airport transfer and ends once the participant has entered immigration at the airport to leave Berlin. Legal minors will be accompanied at all times during the day. It is not permitted for legal minors to leave the group or their group leader at any time. Should the participant leave the group of their own accord without permission, the school will no longer accept responsibility.
 - b) Juniors who are living with a host family will not be accompanied coming to school and going back home after special activities and will be responsible for their own safety here. If an escort is required, then this must be mentioned in the application form under general information. An extra charge will be made for this service at 30€ per day.
 - c) The school will provide accommodation which will meet normal standards of cleanliness expected in a normal German household and full-board. Three German meals will be served every day – breakfast, lunch and dinner. German breakfast (usually bread, cheese, sausage, jam with tea, coffee or soft drinks etc.) will be served at the host family. The German host family will also serve a light evening meal as is the custom in Germany (Abendbrot literally means evening bread), which does not mean however that only bread will be served!! Lunch will be organised by the institute and will consist of one of the following: 1) picnic or barbecue in the case of outdoor activities involving food 2) meals in a nearby canteen or restaurant (one main course + drink + dessert) 3) packed lunch for some excursions. Pupils will be accompanied during meals. Special dietary needs MUST be written in detail in this contract – failure to do so will mean that EURASIA cannot guarantee meeting these needs. In the case of groups living in hostel accommodation, breakfast and evening meal will be served in the hostel or canteen in most cases.
 - d) The lesson plan will be given to the pupils on arrival. Lessons are morning only or morning and afternoon depending on whether the participant has booked 20 or 30h. All participants must come punctually to the lessons. In the case of sickness, a call should be made immediately to the school so that the parents can be informed and consulted. Lunch will be at the end of morning classes and before afternoon classes or project work. Afternoon activities begin at 2pm. There will be at least one afternoon activity every day and at least one full-day excursion on each weekend. The daily programme will end at 5pm or 6pm depending on the nature and location of activities as well as on the weather. Evening activities will be offered on some days only. In all cases, the pupils MUST return home before midnight. The preliminary programme will be released after confirmation of booking. EURASIA reserves the right to make alterations in the programme and adjustments to the timetable.
 - e) All students must have a valid travel insurance including liability, health and accident insurance without any excess. This policy is provided by EURASIA and must be paid for in advance. All information relating to medical conditions relating to the health and safety of the participant must be given to EURASIA in writing on this form when making the booking. In the case of important information not being given to EURASIA, the school cannot accept any responsibility for the consequences.
 - f) The use of alcohol, drugs and tobacco by the participants is not permitted at any time.
2. On receipt of the application form, EURASIA will issue an invoice to the applicant and confirm the booking. After confirmation of booking, the applicant should transfer full fees to the account of EURASIA within 7 days. The final confirmation along with documents necessary for visa application (where applicable) will then be sent to the applicant by courier.
3. (Non-EU only) In the case of visa refusal EURASIA will make an appeal, if this fails then all fees paid will be refunded provided that the visa was refused in written form by the German Embassy or Consulate after deduction of the application fees, appeal fee, courier fees and bank charges. In order to make the refund we require the original letter of refusal from the embassy, a copy of the student's passport with all relevant pages and all original documents given to the student for visa application. In the case of cancellation for any other reasons apart from visa refusal, the following charges will be made: 35% of total fees up to 30 days before, 80% up to 15 days before and 100% up to 7 days before commencement of the course.
4. This contract is valid from the date of signing by the student or by guardian in case of legal minors. Should any disputes arise out of this contract, such disputes will be regulated according to German law. Place of jurisdiction is Berlin, Germany.
