

# Company Internships in Germany

**EURASIA provides paid\* and non-paid internships** for students, graduates and postgraduates in local and international companies in Germany. We choose companies active in branches of industry closely related to your university major or to your particular area of interest. Through our extensive corporate client base we have the possibility to offer placement in around 1000 German companies around the country.

## Internship Package Includes the Following

**Pre arrival support:** documentation for visa if required

**Individual internship placement:** research and contacting German companies

**Language and intercultural preparation:** 1 week internship orientation with optional German courses

**Support** along the whole internship period

**Accommodation** in a German host family or a student dormitory

**All inclusive insurance package**

**1 MONTH 1995 €**

**2 MONTHS 2495 €**

**3 MONTHS 2995 €**

**6 MONTHS 4995 €**

**EURASIA Internship placement packages:**

**Internship placements** for up to a maximum of six months - work-content-profile closely related to your areas of competence; payment based on skills and experience and industry

+

- **Accommodation service:** German host family, student dormitory  
- **All inclusive insurance package** covering all risks

**Super intensive internship preparation : 1 week** orientation and/or language before internship begins

\* Paid opportunities are difficult to find in Germany but may be available for skilled employment or seasonal employment.
