

Learn Arabic with EURASIA!

Arabic is becoming increasingly important, alongside Chinese, in our global community. There are, after all, around 200 to 300 million Arabic-speaking people in the world. It is the official (although not always the only) language in many countries: Egypt, Algeria, Tunisia, Morocco, Yemen, Jordan, Oman, Lebanon, Libya, Saudi Arabia, Kuwait, United Arab Emirates and Chad, among many others. Moreover, Arabic is one of the six official languages of the United Nations. The biggest hurdle is the Arabic script; but rest assured, our qualified and experienced tutors will quickly help you get up to speed with both the spoken and written language. Whatever your need for the Arabic language – whether it stems from a fascination with the Arab culture, or a planned visit to the Pyramids or just a chat with your local Falafel vendor – you will delve into a totally different culture, and see your own from an enlarged perspective.

Our formula for your success:

- Teaching by qualified lecturers who are native speakers
- Arabic courses at all levels – afternoons or evenings by arrangement
- Individually tailored language training at our institute or on your company premises
- Conversation – from small talk to scientific jargon
- Seminars on Arab culture and lifestyle
