

# Learn Bahasa Indonesian with EURASIA!

Bahasa Indonesian is one of the most widespread languages in Asia, although it is a second language for the majority of its speakers. Malay is the language spoken in the area of the same name, and the lingua franca of the geographical area covered by Malaysia and Indonesia. Malaysian and Indonesian are descriptions of nationality. In addition there are hundreds of regional languages in the area, some with only a few hundred speakers. Indonesian is not a very easy language to learn. Our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever your reasons for needing to learn Indonesian, whether it is a fascination for the Indonesian world, a planned trip to Jakarta or Bali, or for communication with friends or business partners, Indonesian brings the flavour of the exotic with it.
