

# Learn Danish with EURASIA!

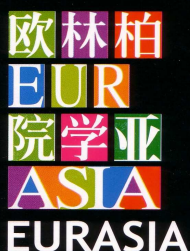

Danish belongs to the family of Germanic languages and is a Scandinavian language. It is the official language of Denmark, the second official language of Greenland and the Faroe Islands, and a business language in Iceland, as well as being protected as a minority language by the state constitution in Schleswig Holstein. Our qualified and experienced tutors will quickly help you get up to speed with both the spoken and written language. Whatever your reason for wanting to learn Danish: for a planned trip to Copenhagen, or for communication with Danish business partners or friends. If you can speak Danish, you will also be able to communicate with Norwegians or Swedes.

### Our formula for your success:

- Teaching by qualified lecturers who are native speakers
- Danish courses at all levels – afternoons or evenings by arrangement
- Individually tailored language training at our institute or on your company premises
- Conversation – from small talk to scientific jargon
- Seminars on Danish culture and lifestyle
