

Learn Dutch with EURASIA!

Dutch is the language of our neighbours, and the mother tongue of around 25 million people. It is the official language in The Netherlands, Belgium, Surinam and in the Dutch Antilles. Although many of the words are so similar to German that we can guess what they are when we see or hear them, to be able to speak Dutch demands a little more. Why not come to our language course. Our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever your reasons for learning Dutch, whether for your next trip to Amsterdam, or for your career, you will find it an interesting language.

Our formula for your success:

- Teaching by qualified lecturers who are native speakers
- Dutch courses at all levels – afternoons or evenings by arrangement
- Individually tailored language training at our institute or on your company premises
- Conversation – from small talk to scientific jargon
- Seminars on Dutch culture and lifestyle
