

Learn English with EURASIA!

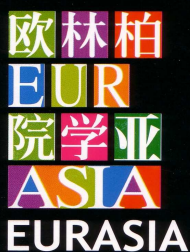

English is the main language used for communication in Great Britain, the United States, Canada, Australia, New Zealand, South Africa and numerous other countries. In many countries of the Commonwealth, English is the official language and is understood and used by the vast majority. English is spoken in more parts of the world than any other language and is the most commonly spoken language after Chinese. At the same time it is the most widespread second language or foreign language. Our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever you use English for, whether it is out of a fascination for the language of Shakespeare, on trips abroad or for your work, English is a must, even in everyday life.

- English courses at all levels – afternoons or evenings by arrangement
