

Learn Greek with EURASIA!

Greek is an Indo-Germanic language. Ancient Greek has a written tradition that goes back 3,400 years. With the exception of the Chinese language, no other living language has been continued over such a long period of time. The significance of the Greek language cannot be underestimated. Western culture was deeply influenced by that of ancient Greece. Modern Greek is simply called *Greek* but is not to be confused with Ancient Greek. Modern Greek is the official language of Greece and Cyprus. Altogether, around 12.3 million people speak Greek as their native tongue. Our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever your reason for needing to speak Greek, whether it is out of a fascination for Greek culture, for your next trip to Crete, or for communication with your Greek friends – Greek is simply timeless.
