

# Learn Italian with EURASIA!

Italian is the native language of 70 million people worldwide. It is the official language of Italy, San Marino, the Vatican State and in Switzerland, as well as one of the languages in the Parliament of the European Union. Once you have mastered the verb endings -are, -ere and -ire, you will quickly grasp Italian grammar. Those who have learnt Latin will have no problem learning the vocabulary. Our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever your reasons for learning Italian, whether it is a fascination for the language of opera, for your next trip to Tuscany, for communication with your Italian neighbours or friends in Rome, the beautiful sounding language of Giacomo Puccini and Giovanni Boccaccio will bring you great pleasure.
