

# Learn Persian with EURASIA!

Persian is spoken by around 60 million people as their first or second language in many countries, including Iran, Afghanistan, Tajikistan, Uzbekistan, Bahrain, Pakistan, India and Irak. Persian is most commonly spoken in Iran. The language had and still has a great influence on Arabic, Turkish and Urdu (Pakistan) and on the languages of India today. Many European words have been borrowed from Persian: Bazaar, cheque, pistachio, paradise, magician... The biggest hurdle is the script. But rest assured: our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever your reasons for learning Persian – a fascination with the ancient Persian culture, a planned trip to Iran or communicating with Persian neighbours – you will be embarking on an oriental adventure that will never leave you.
