

# Learn Polish with EURASIA!

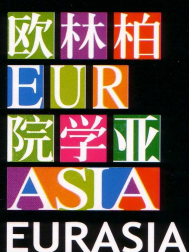

Polish is a west-slavian language and closely related to Czech, Slovakian and Sorbisch, a dialect spoken by a minority living in Germany. There are significant Polish minorities living in Lithuania, white Russia and the Ukraine. Around 60 million people speak Polish worldwide. The language has 7 cases and the pronunciation is difficult, although it is easy to learn in comparison with Hungarian and Finnish. Our qualified and experienced tutors will get you up to speed with both the spoken and written language in a short time. Whatever your reasons for learning – whether for a planned trip to Krakow, or communication with Polish business partners or friends – Polish is the language of our neighbours.
