

Learn Sinhalese with EURASIA!

Since 1958, Sinhalese has been the official language of Sri Lanka, where Tamil and Arabic are also spoken. With around 18 million people, the Sinhalese make up 74% of the island's population. Sinhalese has its own script, called Abugida, which belongs to the family of southern Indian scripts which come from Brahmi Script and has an uninterrupted history which can be traced back to the 3rd century B. C. In Sri Lanka, the pearl of the Indian Ocean, you can get by in the tourist areas with English. But if you can speak and understand Sinhalese, the hearts of the people will be open to you and you will find friendship in a foreign world. With this unusual language a gateway also opens for you into one of the many spiritual worlds of Buddhism. You will add another facet to your knowledge of and feeling for South Asia.
