

# Learn Urdu with EURASIA!

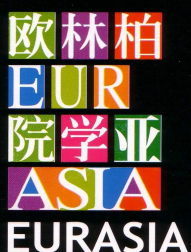

Urdu is the official language of Pakistan, and one of the 23 officially recognized languages in India. It also serves as a means of communication across the different regional languages. Urdu is the mother tongue of 58 million people around the world, and is spoken by 150 – 200 million people altogether, including those speaking it as a second language. Linguistically, Urdu is influenced by Persian and Arabic and indeed uses a variant of the Persian alphabet. Communicating with speakers of Hindi presents no difficulties. Come and see for yourself on our language course. Our qualified and experienced lecturers will help you get up to speed in a short time with the basics of both the spoken and written language.
