

Learn Rumanian with EURASIA!

Rumanian is spoken as a first language by around 26 million people, most of whom live in Rumania and the Republic of Moldova. Its name notwithstanding, the Moldovan language, which is the official language of the Republic of Moldova, is practically identical to the Rumanian language. In Vojvodina (in Serbia), Rumanian is one of the official languages alongside Serbian, Hungarian, Slovakian, Croatian and Russian. It is the native tongue of around 30,000 people. Our qualified and experienced lecturers will help you get up to speed in a short time with the basics of both the spoken and written language. Whatever your reason for learning Rumanian, whether it is for the trip you are planning to follow Dracula's trail, or for communication with business partners or friends, the Rumanian language will open up a whole new world to you.

Our formula for your success:

- Teaching by qualified lecturers who are native speakers
- Rumanian courses at all levels – afternoons or evenings by arrangement
- Individually tailored language training at our institute or on your company premises
- Conversation – from small talk to scientific jargon
- Seminars on Rumanian culture and lifestyle
